BOT Lease Co., Ltd.

BOT Lease's Thai Affiliate "BTMU Leasing (Thailand) Co., Ltd.,"
is Granted Authorization to Open a Yangon Office in Myanmar

BTMU Leasing (Thailand) Co., Ltd. (hereinafter "BTMULT"), an affiliate of BOT Lease Co., Ltd. incorporated in Thailand, is the first instance of a foreign leasing company being granted authorization to establish a representative office in the Union of Myanmar by the Central Bank of Myanmar.

Preparations for the process to establish and register a company with the DICA (Directorate Investment and Company Administration) of the Ministry of National Planning and Economic Development are now starting in order to open the Yangon Representative Office in Myanmar.

With a view to future development of Myanmar's lease market, we are considering our business enhancement in Myanmar and will start activities of market research and similar, in collaboration with a leading local bank in partnerships.

As the BOT Lease Group, taking advantage of the acquisition of this authorization, we will make efforts even more in future to meet the various needs of our customers who are developing their businesses on a global basis.
